OUT IN THE WORLD

MITOBO 1975

Masconomet Regional High School

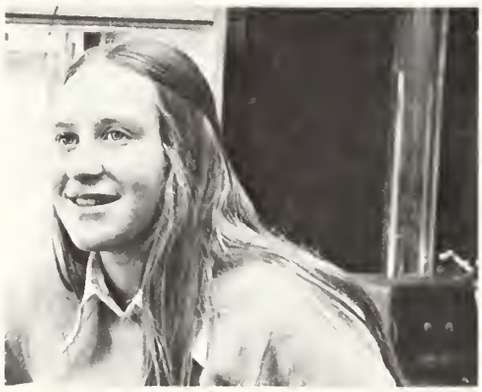
3 2126 00143 329 6

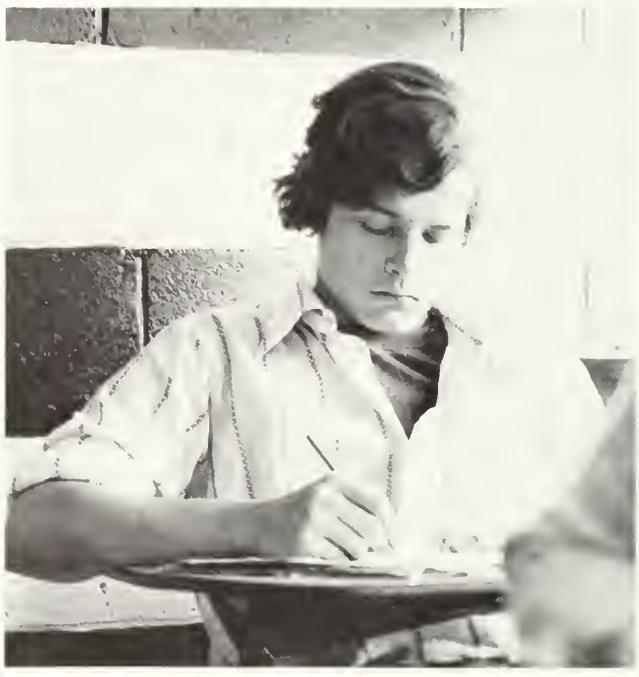
TO OUR PARENTS

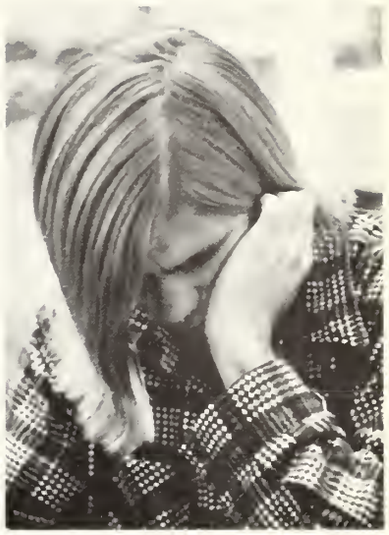
The class of 1975 is proud to honor the people who made us all possible. We've given them a lot of trouble over the past four years and we think that they deserve some recognition for putting up with it all. Right now, we want to let them know that we did appreciate the things they did for us but if we had shown it before, we would have missed all the fun. As we are slowly but surely becoming adults, we can begin to see alot of ourselves in our parents. We'd like to thank them for what they have given us and assure them that it was all worthwhile.

I always want to remember the people here because I've spent four very important years with them and that means a lot to me.

— Beth Fasano '75







Change comes quiet
When your back is turned,
And sometimes
Not even good friends know.
Looking back at
Good times, hard times, first times,
Time to grow,
Make mistakes,
A time to learn.
No, I won't forget,
We've been through so much —
Just understand me now.
It's a time for change,
And I'm not turning my back
On you,
Just turning my thoughts
Out —
Into the world.

— Nancy Gage '75

Jackie DiBenedetto, what have you accomplished at Masconomet?

— The impossible

What was that?

STAIRWAY TO HEAVEN

Junior-Senior Prom

The 1974 Junior-Senior Prom was held on May seventeenth from eight to twelve at the Coach and Six ballroom in Peabody. Before the dancing got under way, a deluxe roast beef dinner was served. Junior class president, Jackie DiBenedetto, presented the traditional silver to senior class president, Jeff Bernard. Then, senior Lexi Sullivan crowned Sue Brandes as queen. The great organizer of the whole event was Julie Tumber, prom chairman.

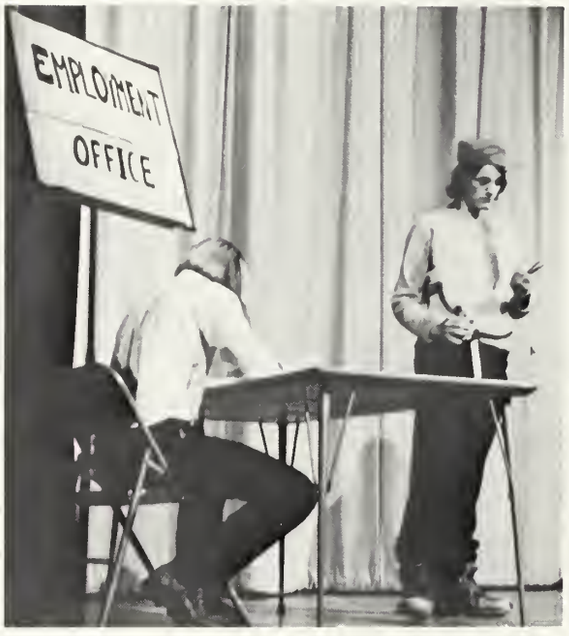
Powder Puff

The S.R.S.B.B.S. (Sensuous Rippin' Strippin' Bouncin' Seniors) battled the Seventy Sixers (Juniors) at this year's Powder Puff game. The final score was 2-0 with the seniors taking their traditional victory; this year because of a safety. The game was cut short because of cold weather and an icy field but seniors Deb Ackerman, Jenn Barbour and Sue Heeremanns had time to be recognized as tough and valuable players. Mr. Carletti and Mr. Puleo fought the cold in their referee shorts and senior male football players served as coaches. The cheerleaders were some of Masconomets prettiest . . . boys. But, it is still undecided as to whether Porn Yantankasol was prettier than Chris Ingalls. After the game, the coaches got a shower — with their clothes on.

Senior Frolics



The class of 1975 presented "To The Good Life" on December 13 and 14. This traditional production was a chance for all the seniors to enjoy working together to produce a professional show. The skits included a visitation from all the "super heroes" in the world, a run in with a green virgin eating dragon, a Ms. Masconomet pageant and a 1950's sock hop complete with Elvis Presley.

The members of the girl's chorus line did a sensuous version of " If They Could See Me Now" and the boy's chorus line members at their buxom best did a unique rendition of " Don't you Feel My Leg". The production numbers included " It's Today" and "It's Time to start Living". On Saturday night, director Lucia Lombardi was crowned queen of our class, our country and the world. Scott Hunt was also an industrious and reliable general manager. Al Rose managed all the business connected with the Frolics, Becky Heeremanns created an elaborate night club set, Joanne Shepard ran the stage and Don Harris created music for the pit orchestra. Other hard working chairpeople were: Sue Heeremanns — makeup, Peter Larson — lighting, Lisa Monroe, Holly Harris and Lucy Griffen — girl's chorus line, Mark Zolla — boy's chorus line and Peter Zelinski wrote the tie-ins. The advisors who gave a lot of time and were extremely helpful were Mr. Hodsdon, Ms. Jarvie and Mr. Morse. The cast party, unforgetable for some and impossible to remember for others, was sponsored by a friend of our class, Mr. Jordan Patkin.

I hope that every member of the class learned that 'it's time to start living' now. High school isn't an end, it's just a beginning.

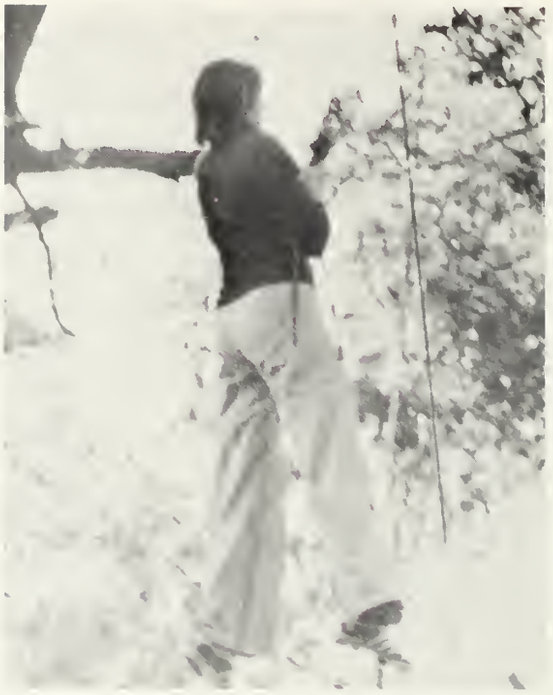
Project Adventure

Project Adventure is a new outdoor survival program at Masconomet. Juniors take Project Adventure as part of their gym program and seniors may sign up as teacher aides after they have completed the junior year course. The eleventh grade gym program begins with group cooperation games and "getting back to nature" exercises. These include obstacle courses, getting a class of thirty people onto a two foot square platform and having each person stick his face in the ground. As the program progresses, students learn how to use ropes and climb up to rope courses between trees that are up to 75 feet high. Project Adventure teaches people how to survive alone and in a group. It introduces them to the outdoors and builds their self confidence. There are an infinite number of courses and tests that can be created right in the woods behind the school. Since our program is constantly changing and expanding, it remains interesting year after year. Mr. Rufus Little is in charge of Masconomet's Project Adventure program. Since the creation of the program, a Project Adventure Biology couse has been added to the curriculum and various field trip options which included canoeing and hiking have been offered.



Senior Christmas Party

The Senior Christmas party was held at the Thompson Club in North Reading on December 19, 1975. The band, Carnaby, provided entertainment for those who did not spend their night at the open bar. (Luckily, Coca Cola is legal). Then, appropriate gifts were presented to members of the senior class by Santa (Blackhall) Claus. Unfortunately, Jay Kimball's bottle of prune juice broke all over Bill Cargill's champagne . . . bubble bath. Don Harris certainly must have found use for a package of plastic party horns although Ed Mueskes was not overjoyed with his plastic razor. The entire affair was organized by Cheryl Veronda and Ricky White.

Valentine's Day Party

The cafeteria was decorated with hearts and streamers on Thursday, January thirteenth for the Senior Valentine's Day Party. The group, Nexus, provided music while chairperson, Sue Newhall and class president, Melanie Shepard baked all the refreshments. About one hundred people attended the party.

Masconomet's finest . . .

Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health.

1971 - 1975

In the four years that we were at Masconomet, many new projects and attitudes were developed. With new ideas being tried, the educational process was always improving and life at Masconomet stayed interesting.

Students gained many rights over the past four years. Since we entered high school, five students have been installed to represent the student body at school committee meetings. As members of the school board subcommittees, they have taken part in decisions that affected the students. One of the largest responsibilities that members of this committee obtained for the students was a smoking area that was open between classes and after school. This gave students and parents the right to make a decision about smoking without having it imposed upon them.

A new system was instituted, when we were freshmen, that gave students the responsibility of using their free time wisely. Resource centers were set up for every major subject where students could study or get extra help. Open gym labs were also started in the new field house so students could play sports during their free periods. And, a breakfast program was started in the cafeteria along with extending the lunch period to 45 minutes. All these options added to the students' education and gave them the chance to decide for themselves how to spend free time.

The Greenhouse

Academically, many electives were added to the curriculum so that the choice of courses ranged from pottery to Russian history. The creation of the new occupational education department strengthened the students' ability to get a career oriented education at Masconomet. As part of this program, in the past two years students have been constructing a new administration building. They were trusted with an important job and they were able to learn by completing it.

In the Saarbrucken Exchange, students from Germany visited Masconomet for a month and then invited Masconomet students to visit them. The students, who helped organize the program along with Ms. Skudra, expanded their education by coming in contact with people from a different cultural background.

After school activities have also changed and increased in number. Four new sports were formed: indoor track, girl's track, swim team and wrestling team. (We also saw the price of admission to winter sports matches go up to 75¢) The school's first string quartet was formed while we were in high school and our band took their first trip abroad to Switzerland. The opening of the greenhouse and sick plant clinic as a school service showed a revived interest in ecology and nature. Also, in 1973, our school gained a professional and popular literary magazine, **Mindscape.** That same year, our class sponsored the second junior banquet at which the cafeteria became a forest of elaborate decorations. Finally, the creation of Radio Masco was a first step toward having a real radio station in our school.

There was also negative progress around Masconomet. With the widening of the highway next to the school, we saw the destruction of our surrounding environment. Where bulldozers and cranes stand today, cars will soon be zooming by for all the students to watch during math class. The fact that little or nothing was done by anyone in the school to try to stop this is a black mark on the progress made during the past four years.

From 1971-1975, we have seen many positive advancements at our school. Hopefully, life at Masconomet will continue to grow and change in the years to come.

ABC

A Better Chance is a national program instituted at Masconomet for the first time in 1975. This program gives students of varying ethnic backgrounds a chance to get a better secondary education than was available to them in their home towns. Ten students came to Topsfield from all over the U.S. to be part of this program. They live during the school year in a house on South Main Street with two tutors and resident directors, Mr. and Mrs. Paul Jacques. (Mrs. Jacques is an English teacher in the high school). Each ABC student also has a host family with whom he can spend some of his free time.

The ABC program was started by Mr. and Mrs. Stan Cohen along with a group of concerned adults and students from all three towns. They saw the need for a sharing experience with people from another culture at Masconomet. They also felt that our strong school system deserved to be shared with people who were not provided with such a strong education elsewhere. With a lot of help from the communities, the Cohens were able to get the program under way so as to insure a good experience for the ABC students at Masconomet.

Ten fine people came to the school in September. They have contributed to school activities and to the education of those around them. And, in being at Masconomet, these people are provided with an education that they can use to its best advantage.

Winter Week

Winter Week was sponsored by the student council to make the week before winter vacation a little more interesting. Chairmen were elected to plan activities each day and council chairperson, Mary Beth Walters was overseer for the whole week. On Monday, night, the popular movie about the 1950's, **American Grafitti,** was shown in the auditorium. On Tuesday, there was a free basketball game and Wednesday was Hat Day. The council also planned toboganning for that evening on Wheatland's Hill. Thursday was flannel shirt day and Friday was Greaser Day. Friday night, there was a sock hop with fifties music for all the greasers, teeny-boppers and people in general.

Homecoming Day

Homecoming Day started with a pancake breakfast at the Trinity Church sponsored by the Speech Club. After "all the pancakes you could eat", the band, cheerleaders, class floats and decorated cars and bikes all paraded to the school for the football game. The floats were judged before the game and although the sophomores won first prize, the seniors came in at a strong third place with their circus float. During halftime, Mike Walsh, representing the student council, crowned Sara Spanos as Homecoming Queen. The senior class boys voted to give this honor to Sara and her court (made up of Amy Wyman, Holly Harris, Pam Stone and Lynn Martens). Unfortunately, the football team lost 12-0 to Amesbury but a strong defense made it a really exciting game. That night, the Homecoming Dance was held in the gym. Guests from Amesbury were invited and the dance was probably the greatest money raising event of the year.

MAME!

"Life is a banquet and most poor devils are starving to death."

— Mame

Mame was the elaborate and sophisticated musical comedy produced at Masconomet on February 28 and March 1. The title role was played by Meg Young and her dry humoured "Bosom Buddy" was played by Lucia Lombardi. Sean McManus made his stage debut as the young Patrick and Peter Relick portrayed Patrick's grown up counterpart. Other seniors starring in the show were Claire Cayot as the naive Agnes Gooch and Peter Zelinski as the Southern gentleman, Beauregard Bernside. Kim Killiam and Connie Reisdorf were accompanists for the show and Mr. Killian directed the pit orchestra. Mr. Morse organised the stage crew, Ms. Curland directed the choreography and Ms. Jarvie directed the play.

Romanoff And Juliet

These days you have to be very, very strong to allow yourself the luxury of being weak.

— **The Captain**

Romanoff and Juliet, a farcical version of **Romeo and Juliet** by Peter Ustinov, was presented at Masconomet on November 1 and 2. Ken Knisely gave a professional performance in a lead role as the general. The other lead roles, Romanoff and Juliet, were played by Mark Keepers and Donna Murphy. Seniors who added a lot to the performance were Josh Shaktman and Connie Reisdorf as Romanoff's parents. Stage Manager was Meg Young and Business Manager was Lucia Lombardi. The dedicated and capable advisors were Mr. Robert Morse and Ms. Jean Jarvie.

Monday is lazy, boring, falling asleep, not in a very good mood day. In other words, Monday is lousy. Thursday starts to get better, Friday is terrific because I have four frees. It's also pay day.

The 1975 MITOBO was a labor of love. We are not claiming that it is the best yearbook ever, only that we did our very best to make it interesting and unique. After much research we developed many new layout styles and we worked on using all the available resources in the school. Kathy Roy, as business manager, broke all records in her fund raising efforts. Donna Berstein used her artistic talent in creating layouts. Jackie DiBenedetto, Lynn Martens and many others spent hours typing up the senior section. Kathy Stevens, of course, did everything that we told her to do and did it right. Karen Wimer spent many nights till midnight at the editor's house. Unfortunately, they spent their time working on the yearbook and not on extra curricular activities. Mark Hoffmann and Cheryl Veronda spent hours together in the darkroom. Julie Tumber, Sally Welsh, and Mike Small as editors did everything else. Finally, we thank our advisor, Mr. Garabedian and our business advisor, Mr. Lauzon, for caring so much about our yearbook. There are many other people who helped us a lot from the administration to the entire senior class and the rest of the staff. We are very grateful for all the cooperation we received from everyone throughout the year.

They showed great desire, however, in their 17- 14 overtime victory at North Reading and in a great victory over Ipswich. They fought hard and had a disappointing loss to Amesbury at the homecoming game but a winning game against Hamilton-Wenham brought the season to a strong finish. The team had five all-star players and captains were Bill Bowman, Wally Johnson, and Jon Tragert. This year's most valuable player was Andy Minich and the unsung hero was Bill Bowman. Mike Barry received the best lineman award, Wally Johnson was most improved player, and Primo Lombardi was the most promising sophomore.

Varsity Won 7, Lost 4, Tied 4; **Junior Varsity** Won 3, Lost 10, Tied 7; This year's varsity placed second in the Cape Anne League and were league winners in the C.A.L. "play day" tournament. They owe this record to the unsung defense and the superb efforts of the inexperienced, junior varsity players. There were 25 total points scored by the team and 17 points scored against them. High scorers were Debbie Ackerman with seven goals, Gretchen Kruysman with seven goals and Mary Jane VanKavelaar with six goals. The Varsity showed real talent when they creamed Hamilton-Wenham and Georgetown in two big games. Managers were Leslie Mattson, Ellen McGinnity, and Chris McLellan. At the field hockey banquet, the captains, Deb Ackerman and Sue Heermans, gave awards that they had made themselves to all seniors.

Junior Varsity Field Hockey: (From Left To Right) Row 1- Debbie Saitow, Margaret Weissletz, Jane Welsh, Kate Murphy, Irene Larocca, Gretchen Sennott, Cindy Lindh, Sara Rider, Connie Wilson, Ellen Sanders **Row 2**- Pam Fasano, Kathee Shannon, Carolyn Cavanaugh, Karen Reilly, Sharon Shepard, Laurie Keith, Louise Lambert Melanie May, Kathy Noyes, Marie Giordano, Kathy O'Brien **Row 3** — Coach Gail Ramsey, Suki Bullens, Nancy Walsh, Ellen Reeves, Wendy Markus, Kathy Kindregan, Pam Rogal, Deidre Murphy, Mary Bond, Jame Walz, Sandy Fuhs **Missing:** Cindy Matses, Ellen Davis, Beth Huckins, Sharon Ludes, Lisa Gallo, Jackie Phalen, Sheila Ryan.

"I love to run around real fast and whack the ball. You can really get into it. It's really a tough sport and it's not a prissy girl's sport. I love field hockey because I can get all my frustrations out in it. Well, it's not necessarily frustration — it's anger. But, that's not why I **really** like it — I just really like the game."

-Linda Kenny '75

SEA AND SKI

SKI TEAM

(From Left To Right) Row 1: Guy Andrews, Jon Yates, Tim Cusak, Jim Gingrich, Bruce Baldwin, Mark Stevens, Anne Stevens, Ted Buiting, Gretchyn Kruysman, Larry Learned. **Row 2:** Andy Barr, Deidre Muyphy, Scott Whitley, Debbie Ackerman (capt.), Peter Bogdonoff, Liza Vincent, Jackie Kelly, Beth Huckins, Jeff Cusak, Sara Bergstrom, Ellen Sanders, Barb Reidy, Terry Ackerman, Al Race, Brad Marks, Mr. Deane (coach).

Won: 8 Lost: 1 The ski team members were once again leaders of the Cape Anne League. A final meet against North Andover will be the deciding factor in a first or second place standing. Since North Andover is a tough team, this will definitely be the most important meet of the year. The team's one loss was caused by the absense (due to the flu) of four top racers. This year's number one scorers were Sara Bergstrom and Mark Stevens. Next in line were Anne Stevens, Deb Ackerman, Gretchyn Krysman, Ted Buiting, Larry Learned, Tim Cusack and Terry Ackerman. (They all scored close to the same amount of points). Debbie Ackerman and Larry Learned were captains. Along with Anne Stevens, these are the only top players who will be graduating so the team should be just as strong next year.

The goal of the 1975 swim team was to stimulate interest in this new sport and to give students an idea of what competitive swimming is all about. A lot of good potential swimmers for the future were found but no meets were held this year. Mr. Blackhall's advice to swimmers is to remember that "you can't breath through your mouth and nose at the same time."

(From Left To Right) Row 1: Noel Connors, Laura Brockelman, Jon Bernays, Kathy Spring, Jack Bresnahan, Dave Jeffreys, John Bakewell, Kent Barclay, Mr. Blackhall (coach) **Row 2:** Jim Orfanos, Dede Goff, Julie Sawyer, Barb Gingrande, Meredith Miller, Carry Jacobs, Anna Viggh, Kate Murphy, Grethen Sennott, Sue Hall, Sara Rider, Les Hall, Jim Bresnahan. **Row 3:** Heather Pollock, Debbie Wood, Jim Brockelman, Becky Kimball, Peggy Spring, Carol Jones, Nancy Simms, Claire Cayot, Sally Dunne, Curtis Zingg, Anne Gillman, Mary Anne Sullivan, Joan Quist, Karen Merman.

The worst thing about basketball practice is doing monster drills. (That's when you have to sprint forward and run backwards about 1,000 times.)

Ricky Wyner '75

J.V. Basketball Cheerleaders: (From Left To Right) Row 1: Beth Hussey, Erin Shaughnessy, Linda Reilly. **Row 2:** Jody Klosowski, Sharon Kelly, Deb Murphy. **Missing:** Julie Porteous.

Boy's Varsity Basketball: Won 13, Lost 8. **Junior Varsity:** Won 15, Lost 6. The varsity basketball team finished third in the Cape Ann League and they will be going on to the tech. tournament. Seniors Ricky Wyner, Jay Singleton, and Mark Rolsma led the team on to victory with their high scoring and rebounding power. Unfortunately, Captain Wally Johnson was injured throughout the season. The team's biggest game was a 49-45 victory over Pentucket. Next year, ten boys will be returning to the team, including three of this year's strong varsity players; Mike Barry, Dave Munro and Don Simms.

Junior Varsity Basketball: Row 1: From Left To Right) Sam Davis, Mike Duffy, Greg May, Dale Eddy, Paul Bogart, Scott Dwinell. **Row 2:** Primo Lombardi, Jim McDonough, Ron Theokus, Larry Patch, Rusty Myers. **Row 3:** Mark Agnew, Glenn Rhuda, Rich Soldano, Mr. Murphy (coach). **Missing:** Ron Nelson, Jim Johnson, Pete Ferrari.

GIRL'S BASKETBALL

Girl's Varsity Basketball: Won 3, Lost 9 (in the league). **Junior Varsity:** Won 9, Lost 4. Only two players returned from last year to this year's girl's basketball team. So, a lot of young players had to learn the varsity patterns and plays very quickly. The major obstacles for the girls were learning to play together and overcoming inexperience, but one of the hardest working teams in the history of Masconomet came through in the end. Toby Mead averaged 17.2 points per game and 11 or 12 rebounds per game. Although she was injured at the end of the season, this outstanding player still made the first women's All Star Basketball Team. Outstanding performances also were offered by senior Sue Newhall (guard, co-capt.), Chris Whelan (guard), Sue Heeremans (center), and Diane Mandragouras (center). This summer, many of the girls plan to attend basketball camp and four or five J.V. players will be moving up to the varsity team next year.

Varsity: (From Left To Right) Row 1: Mary Jane VanKavalaar, Suki Bullens, Toby Mead, Sue Newhall, Sharon Ludes, Chris Whelan. **Row 2:** Sue Heremanns, Sandi Fuhs, Kim Kindregan, Diane Mandragouras, Debbie Lynch, Ms. Mousseau (coach).

"Those kids put everything they had into it. They were really great kids to coach — they never lost the spirit and never gave up."

— Coach Mousseau

I was pleased to see that the kids played so well and I am hopeful that their potential will be used in the future.

— Coach Ferrazzi

FRESHMAN BASKETBALL

Freshman Basketball: Won: 13, Lost: 5 (in the league). Tim Kindregan and Mark Warfield were high scorers for this well trained basketball team. The entire team continued to improve throughout the entire year but Ron Russle and Ben Thompson worked particularly hard at improving their technique. The most important and exciting games for this team were those played against Lynnfield and North Andover.

(From Left To Right) Row 1: Steve Iarocci, Mark Warfield, Jim Cavanaugh, Bennett Thompson, Dave Reifel, Don Russell, Tim Kendregan, Peter Dawley. **Row 2:** Mike Iarocci, Charlie Brown, Eric Hunt, Phil Ferrari, Joe Vogt, Chris Singleton, Eddie Bogart, George Poole, Brian Barry. **Row 3:** Bruce Bears, Coach Ferrazzi. **Missing:** Chris Spottiswoode, Atty Mullins.

Freshman Basketball Cheerleaders: (From Left To Right) Row 1: Jamie Shepard, Elizabeth Dustin, Marie Giordano, Judy McGee. **Row 2:** Sue Glatz, Patty Guarino, Jane Soldano, Linda MacDonald.

INDOOR TRACK

Indoor Track: Won 1, Lost 7. This year's indoor track team suffered from the loss of last year's point scoring seniors. This was the team's first losing season which was mainly due to inexperience, particularly in three major events; shot put, hurdles and high jump. But with many underclassmen (including Hugh Bogart, Dave Lynch, Andy Hossfeld and Kevin Pickett) returning next year in these events, the team is expected to have a winning season. Mike Walsh and Ricky White were this year's Gerry Plumley Outstanding Track award winners. Mike Walsh also participated in the all star meet and set the league record for the 600 yard dash. Ricky White and Rich Bedrosian ran the 300 yard dash at the All Star meet, and Bob Buechel did the 1,000 yard run. The team's star milers (including Tom Malone) and two milers (including Alan Dexter) will all be returning next year for a promising season. Next year's team captains will be Tom Malone and Bob Crocker.

Indoor Track: (From Left To Right) Row 1: Paul Hamilton, Hugh Bogart, Ricky White, Tom Wehling, Jim Dawley, Paul Gaboriault, Mike Walsh, Mike Ferrari, Alan Dexter, Mike Rogers, Dave Wood, Ed Mueskes, Dave Flagg, Nick Leighton, John Stevens, Charlie DePierre. **Row 2:** Mr. Gregorchik (coach), Charles Brown, Steve Magyar, Jose Figueroa, Dave Lynch, Miles Lambert, Bob Crocker, Andy Hossfeld, Tom Malone, Rich Bedrosian, Kevin Pickett, Kevin Spring, Paul Coleman, Dave Morrell, Lori Hart. **Missing:** John Baker, Dan Bergsten, Bob Buechel, Mark Brophy, Brett Burgard, Don Church, Matt Clayton, Steve Dellazoppa, Chick DeNault, Pat Doane, Paul DePierre, Gerry Foshage, Lisa Gallo, Jim Hollow, Jeff Miller, Doug Nelson, John Oberti, Laura Prescott, Jim Reyes, Lance Roberts, John Rolsma, John Stevens, Art Sullivan, Mark Walsh, Carol Yetman.

GYMNASTICS

(From Left To Right) **Row 1:** Henry DeBoer, Chris Way, Mark Leonard, Marty Moffett. **Row 2:** Chris Hoosick, Jon Whittemore, Joe Leis, Roger Lemay, Rick Bagley, Coach Obeara.

Won: 3, Lost. 4, Tied: 1. The boy's gymnastics team was limited by the amount of people who went out for the team and the even smaller number that came back after Christmas vacation. The boys who were left were relied upon for a particularly good showing and they met this difficult task with a lot of enthusiasm. Captain Chris Way was an outstanding performer in vaulting and floor exercise. He will be going to the state meet and he won a trophy at the league meet. Two promising sophomores, Chris Hoosick and John Whittemore also did a superlative job. The biggest meet of the season was against Watertown because the team obtained it's highest score and the large spectator attendance gave the team a lot of encouragement.

It was a growing experience for myself and the members of the team. I enjoyed it and I think a lot of the kids got something out of it.

— Coach Obeara

The impossible is also the untried. — Coach Pavesi

Varsity Gymnastics: (From Left To Right) Row 1 — Andrea DiBenedetto, Julie Sawyer, Nancy Hillery, Kathy Noyes. **Row 2:** Kathy Rosenthal, Valerie Dawes, Laura Stallard, Leslie Marandola, Paula Holmes, Ellen Davis, Peggy Spring, Ms. Pavisi, Kathy Spring. **Row 3:** Pam Bowman, Lisa Wennerberg, Missy Salmon, Candy Way, Mary Bond, Ginny Kuczun, Mimi Garten. **Missing:** Jean Chamberlain, Kim Crawford, Anne Gilman, Denise Green, Diane Halfrey, Jan Haykal, Robin Hinkley, Melanie Hull, Patti Balletto, Nancy Bears, Patti Cashman, Judy Cataldo.

Junior Varsity Gymnastics — (From Left To Right) Row 1 — Lisa West, Joanne Marland, **Row 2:** Carol Chamberlain, Sheryl Henderson, Colleen Walter. **Row 3:** Mary Ryan, Ellen Moy, Pam Powers, Kathy Moore, Gail Brightman. **Missing:** Robin Bailly, Alicia Markus, Linda Merman, Molly Murphy, Donna Regii, Sue Schepis, Mary Wadlinger, Caroline Dorman, Sherry Laird.

Girl's Varsity Gymnastics: Won: 0, Lost: 9. **Junior Varsity:** Won: 0, Lost: 1. This year's gymnastics team was made up entirely of rookies except for three experienced seniors. The girls set individual goals for themselves and by learning new skills, they gained points for the entire team. In a very close match with Gloucester, the girls lost by 1.6 points but they were able to keep up their spirit even with the disappointment of many losses. This year's competition was very tough because more of the teams they competed with were not in the Cape Ann League. Seniors Candy Way and Missy Salmon did an excellent job on the balance beam this year, and they both qualified for states. Captain Lisa Wennerberg also worked extremely hard and competed in every event. With experienced, talented sophomores returning next year, a great season is expected.

Hockey Cheerleaders: (From Left To Right) Row 1: Prudy Minich, Jane Walz, Karen Wimer, Lise Reiland (co-capt.) Sandy Lyth. **Row 2:** Chini Pedicini, Michel Mairo, Jackie DiBenedetto (co-capt.), Randy Monroe, Lisa Connell.

(From Left To Right) Row 1: Doug McIlvane, Pete Shepard, Paul Mathews, Pete Mailey, **Row 2:** Kenny Belisle, Scott DiVenuti, "Bird Body" Kimball, Bob Bolen, Ron Wayland, **Row 3:** Cory Longstreet, Dave Behrens, Dave Quill, Jeff Bonasia, Peter Relick, Bob Silva, Bob Walters (mgr.) **Missing:** Coach Melton, Larry Carlson, Ted Knight, Steve Herland, Wayne Bouchard, Kevin McGinnity, Bill Fosage.

Varsity Won: 14, Lost: 5, Tied: 1. **Junior Varsity** Won: 15, Lost: 4, Tied: 1. This year's hockey team will go to the state tournament thanks to the great efforts of people like Andy Minich who was probably the most valuable player on the team. Seniors Gary Church, (whose season was prematurely ended due to illness), Steve Balletto, Steve Mahoney and Steve Hall showed leadership and hard work that gave the team an impressive record. Unfortunately, the team's hopes for a perfect record were "checked" due to the absense of some of these important players at the big games. The closest of all the games was against North Andover at which the team was saved by the scoring power of Andy Minich. Other players who really put out 100% effort were (Tiny) Tucker Cole, Jay Kimball and Steve Mahoney. Returning to the team next year will be one of the finest hockey players in the Cape-Ann League, Erik Schmakel and a strong goal tender, Charlie Schumacher.

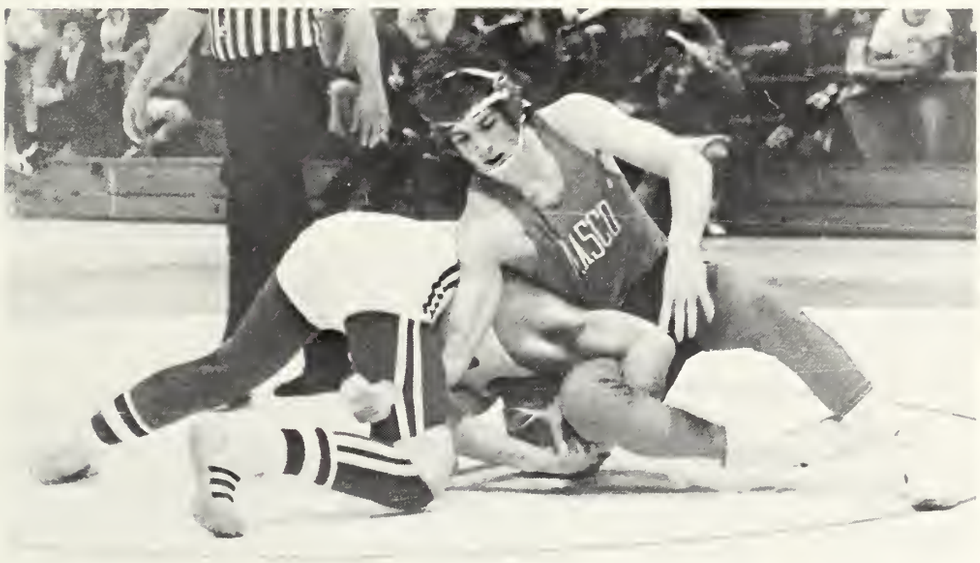
Do as I say, not as I do.
— Coach Driscoll

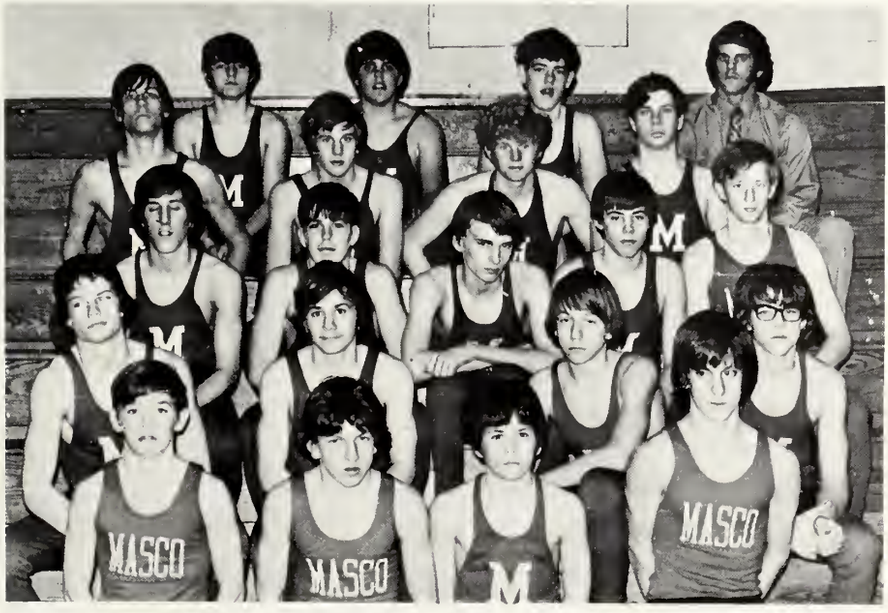
WRESTLING

Wrestling is the sport of the future. The large attendance and involvement in the sport this year showed that we have really established ourselves.

— **Coach Puleo**

Varsity: (From Left To Right) Row 1: Matt Boyle, Jeff Leighton, Charlie Wood, **Row 2:** Joe Bond, Joe Iarocci, Dave Lessing, Gary Moser, **Row 3:** Steve Hogan, Mike Nault, Bill Bowman (capt.), Tim Peddy, Tom Laird, Carl Gabbard, **Row 4:** Steve Eddy (asst. Coach), Jim Wright (mgr.), Bob Cathcart, Tony Ferrarri, Jon Traggert, Jim "Gilly" Gilford, Mr. Puleo (coach) **Missing:** Jim Gates, Rob Borden, Steve Dane, Walter Hussey, Mike Sims.





Junior Varsity: (From Left To Right) Row 1: Jim Gates, Mike Bertalone, Mike Peake, Jim Roy, **Row 2:** Jack O'Brien, Bob Borden, Matt Callahan, Paul Borque, **Row 3:** Walter Hussey, Dale Johnson, Ron Dole, Bill Elliot, Chris Lynch, **Row 4:** Bill Laird, Tom Deanes, Kevin Butler, Tim Grimm, **Row 5:** Larry Davis, Paul LeBel, Ron Giovanacci, Steve Eddy (Coach), **Missing:** Mike Kastrinelis, Karl Gabbard.

Cheerleaders: (From Left To Right) Row 1: Ellen McGinnity, Mary Ann O'Donald, **Row 2:** Marion Laughlin, Cindy Kling, Marnie Jeffery, Jayne Weatherby, **Row 3:** Randy Pikus, **Missing:** Barb Mueskes.

Varsity Wrestling: Won 8, Lost 7. **Junior Varsity:** Won 6, Lost 6, Tied 1. This year's wrestling season had a slow start with a disappointing loss to North Andover. But the team came right back under the leadership and consistent winning power of Bill Bowman. Jeff Leighton and Charlie Wood also were consistent winners for the team within the Cape Ann League. The wrestling team was aiming for the league championship this year but some unanticipated losses to Lawrence and Wakefield and a siege of flu stood in the way of the team's hopes. The team did however reach Coach Puleo's goal of developing the younger wrestlers and raising the popularity of wrestling as a spectator sport. Six star sophomores will be returning next year to lead the team on to victory.

TAPROOM

Oldest and most authentically structured Revolutionary War Era Restaurant in New England.

Fantabulous food in a fascinating setting.

Expansion with Fidelity

During the past year we have expanded, more than doubling our dining area and function facilities. Included are innovations for the greater comfort and convenience of our patrons. It has been a slow and agonizing experience but also a rewarding one because we have utilized oak beams, boards and some other materials which were saved when three barns on this old Daniel Fuller farm were razed some years ago. Thus, we have been able to preserve in our modern-day addition a substantial measure of the Revolutionary War era authenticity of the original main section of our restaurant, erected in 1727. I hope you enjoy the food and the atmosphere.

Where Quality and Value Go Hand in Hand

I'm going to miss the feeling of being young and accomplishing something. That's what I've found in many parts of Masconomet; in the classroom and in after school activities.

— Barb Gingrande '75

And they tell us, "just wait
till you're Out In The World —
the Real World out there . . . "

Within the Master Schedule
we always found
where we belonged,
but there is no Master Schedule
Out In The World
and no structured study
if we blow it . . .

When the next bell rings
we'll be gone from here

See You At The Reunion!!

THE ALL NIGHT PARTY, sponsored by the Lions Club, began at the V.F.W. function hall in Ipswich where two bands played and a buffet was served until 3 A.M. The seniors were then taken on a ferry ride around Boston harbor to listen to more music and see the sunrise. The party ended with breakfast at the Aquarium followed by the performance of some trained dolphins. There's really no way to say goodbye to over 300 people so everyone just came home and went their own seperate ways.

ERRATA: The pictures of Sidney Mannheim and Lynn Martens on page 58 should be re—versed so as to match correctly with their profiles. Also, Michael Cataldo's name should be added to the list of students in the class of 1975 who did not have their pictures taken. We apologise for these mistakes and feel free to blame them on someone else.

The male senior members of the (Italian, Jewish and otherwise) Mafia visited Masconomet twice this year; once, to rob a student of his evil ways and another time to keep an almost married teacher from getting cold feet. Rumor has it that both attempts failed in the long run. Quote: I'm a gonna make you an offer you cannot refuse. —Papa Andy
